Dear Mr. Wenig,

On behalf of Baptist Children's Hospital, I'd like to thank you for participating in the eighth annual Rides 'N' Smiles Track Day hosted by Southern Automotive Media Association. This wonderful event would not have been possible without the help from Ferrari of Fort Lauderdale, and we're truly appreciative. Your generosity, time and support made dreams come true for so many of our young patients with chronic illnesses. The children were treated to a day filled with fun, laughter and excitement, and they were able to leave behind any worries about their medical problems for that one day.

We are very grateful to everyone involved for all of their hard work to make this special day happen. The smiles and excitement on the children's faces said it all!

Sincerely,

Randall
