Dear Jason,

This year at our 6th Annual Rides N Smiles event at the Homestead Miami Speedway, we had the most successful day ever. With over 140 children attending from Baptist Children's and Miami Children's hospitals, along with over 60 military veterans, we shared their smiles because of the generous participation of automotive companies like yours.

Your red Sport Speciale racer, was a huge hit with everyone and we can't thank you enough for your efforts in sending it (them) down for our use. Please go to our web site at <http://www.samaonline.org/> to see what you helped create.

The Christmas season is one where we all receive gifts, and this past weekend was an early gift to all of us. Thank you so very much from all of us at SAMA.

With best regards,

Bill Adam

President
